Dear Families,

We have had a wonderful start to the summer term and today has even felt like Spring really has arrived.

Last week we launched the new school values and house points. The children have been amazing at demonstrating the 4 values we are focusing on: courage, respect, independence, and support. Today our house captains had the task of adding up all the house points from each class, we were blown away by how many points the children have been awarded.

**This week's winning House:**

**We have a tie this week- Cowper and Mann House are our weekly winners!**

Well done to Charlie and Sienna our Cowper and Mann house captains for sharing the news in our celebration assembly.

We will continue to focus on our values so please talk about these with your children at home.

The leadership team have been out and about this week looking at how the children have settled into the final term of the year. We have been so impressed by the standard of work the children are producing, and it is good to see the children are becoming more confident to talk about their learning. We hope they are sharing what they are doing with you at home. Please do use the weekly bulletins shared on Teams to talk to your children about their learning at school.

## Celebrating our STARS!

**Summer is coming...**

As the warmer weather approaches, please ensure that you have applied 'all day' sun cream to your child before school, and send them in with a named sun hat. We love outdoor learning and enjoy planning lots of our lessons outdoors.

Fingers crossed the sun continues to shine, have a fabulous weekend.
