It looks like Autumn is coming- the mornings are definitely getting colder and the leaves are changing colour on the trees. As the colder weather makes it's appearance, please make sure you send your child into school with a jumper or cardigan and a coat- all clearly labelled with your child's name.

Thank you for your patience as we work through the technical issues we have had with **Parentmail**. Hopefully everyone should have been able to login and see the newsletters. We will be using the Parentmail app for bookings for our Parents' Evenings. These parents' evening appointments will be online for this first round of meetings. Please let us know if you're having difficulty accessing the forms section of parentmail.

A **gentle reminder** to parents that **children may not play on the play equipment before and after school**. We are not insured at these times and cannot take responsibility for any accidents or injuries that occur.

Also, please remember to **walk bikes and scooters** off the playground before letting your child ride them.

The **Year group weekly bulletins will be on the school website** in each class section (find them at <https://www.willowbankinfant.com/web>). We are working on creating quicker links to the school website, as well as clearing up some of the pages, so please bear with us whilst we make these improvements. Please do let us know if you are struggling to access the bulletins, as we will be relying on the website access in the case of a year group or school wide closure.

Have a lovely weekend!
